About SSEI

is a licensed Private Detective Agency. We are located in Maryland with offices in Annapolis (Main) and on the beautiful Eastern Shore. We serve clients all over Maryland and are able to perform work in any state utilizing a network of Investigators across the country. Our Investigators are continually trained in new Investigative techniques and work to be leaders in the industry. In addition to general Investigation and Fraud Detection (including data mining and data analysis) we also have experience in both physical protection systems (securing locations, etc.) as well as many facets of safety investigations and safe practices in the workplace. SSEI staff have a wide array of backgrounds, including; Cable Fraud Investigations, Electronic Security, Physical Security, Safety, Finance and general Business Management.

Services

Safe and Secure Enterprises, Inc. has experience in many types of investigations. As technology changes and grows, we continue to educate and train our staff in new techniques, and better ways to complete investigations. As every investigation is unique, we pride ourselves in the ability to think “out-side-the-box” and provide our clients with a positive outcome. Some of our basic services are listed below. We look forward to discussing how we can assist you.
